Wednesday, June 17

8:30-10am – Business Sessions

***10:30am-12:30pm – Innovation & Entrepreneurship Panel (required for credit) – lunch provided**

Preparing the Future Workforce: Innovation and entrepreneurship are reshaping every industry — from agriculture and manufacturing to healthcare, technology and beyond. This moderated panel will bring together regional leaders and innovators to help educators better understand the skills, experiences and mindsets students need to succeed in an evolving workforce. Educators will gain insight into the types of experiences and real-world learning opportunities that help prepare students to thrive in dynamic and rapidly changing careers. The session will include a 45-minute moderated panel discussion followed by audience Q&A.

Featured Panelists include:

- [David Batcheller](#), President, Josda
- [Neil Doty](#), N.C. Doty & Associates, LLC
- [Patrick Mineer](#), Founder & CEO, Golden Path Solutions
