The Most Powerful Room in the Region

The Women Connect Celebration is one of the region's most powerful gatherings of women professionals, business leaders and community changemakers. Each year, hundreds come together for an afternoon that sparks confidence, strengthens connection and amplifies leadership.

This year's experience features **Evy Poumpouras**—a former U.S. Secret Service special agent, national media contributor, bestselling author, and expert in human behavior. From protecting U.S. presidents to decoding high-stakes situations, Evy's real-world insight will leave attendees more confident, more capable, and more in command.
