#### Thank you for attending

Thank you for attending Session 2 of our [Workforce Webinars about work-based learning \(WBL\)](#)!

During this session, we explored how to build your talent pipeline by using WBL as a feeder system to other opportunities you offer, including jobs right after graduation, tuition reimbursement programs, apprenticeships, and more. We also discussed how WBL experiences work together with Career Profiles in Golden Path's online platform, Compass, to help students learn more about your company and careers.

As a courtesy, we are providing this resource with links to the recorded session and slides, speaker contact information, helpful links, and contacts for more information.

This free, three-part webinar series was presented by [Golden Path Solutions](#), [the Fargo Moorhead West Fargo Chamber of Commerce](#), and [FARMS](#).
